FOR IMMEDIATE RELEASE

CINDY PEARCY JOINS KNOWLEDGE CAPITAL GROUP AS PRINCIPAL

CHARLESTON, Sept. 15, 2020 – Cindy Roberts Percy has joined [Knowledge Capital Group](#) (KCG) as a Principal. She is passionate about helping clients design and implement strategy and coaching others to succeed. She has over 20 years of experience in management consulting with a focus on implementing strategic planning, implementing transformational change, governance structure design, and program and project management.

Prior to supporting KCG, Percy was a Senior Manager in Deloitte Consulting’s federal healthcare practice where she led a portfolio of projects including transformational change in medical supply chain, executive coaching for VA hospitals, and program management and accountability for major government restructuring programs. She regularly coached at Deloitte University’s training programs. She honed her skills in group facilitation, mentored diverse teams and is known for bringing order to chaos and leading drama-free projects.

Percy has been a professional consultant for over 20 years supporting the Veterans Health Administration, US Army Medical Command, USAF Air Education and Training Command, organizations at Brooks City Base, and both the 1995 and 2005 rounds of Base Realignment and Closure (BRAC). Prior to entering consulting, Ms. Percy taught graduate level courses in finance and budgeting and worked in corporate accounting and finance for General Electric and its subsidiaries.

Percy holds a Bachelor of Arts in Economics from Furman University, an MBA from Boston University, and certifications from GE’s Financial Management Program certification (FMP) and the Project Management Institute (PMP).
