KATIE WAGNER PROMOTED TO SENIOR CONSULTANT AT KNOWLEDGE CAPITAL GROUP

CHARLESTON, Jan. 14, 2026 – [Knowledge Capital Group](#) [KCG], is pleased to announce the promotion of Katie Wagner to Senior Consultant.

Wagner joined KCG in August of 2022 and has since played a critical role in a variety of client engagements, most notably managing the planning and activation of a \$100M, 63-bed behavioral health facility. Through her work, she has become an invaluable member of the KCG team. In her new role as Senior Consultant, Wagner will take on increased leadership responsibility with client engagements while also continuing her valuable contributions to the firm's growth and operations.

"I am so proud of Katie," Brittany Hall, Practice Leader stated. "She has demonstrated judgment, leadership, and client presence beyond her tenure. On a large-scale program management engagement, she independently managed executive relationships, driving outcomes and impact with confidence and precision. I am excited to watch her continue to grow and lead at the Senior Consultant level."
