FOR IMMEDIATE RELEASE

TODD LEACH JOINS KNOWLEDGE CAPITAL GROUP AS PRINCIPAL

CHARLESTON, AUG. 15, 2025 – Todd Leach has joined Knowledge Capital Group [KCG], as Principal – Technology Strategy & Enablement. Leach has more than 35 years of experience in information technology, both in healthcare and academic settings.

“We are thrilled to welcome Todd to our team and bring his expertise into our portfolio of services”, said Tony Powell, Managing Director. “His years of knowledge and experience within the healthcare industry and the IT domain will be a tremendous asset to the firm. I look forward to his contributions as a senior member of the team and for him to be a strong ambassador for KCG and our values”.

Leach brings extensive IT leadership experience, having served as Chief Information Officer at the Medical University of South Carolina (MUSC) and the University of Texas Medical Branch (UTMB), where he also held leadership positions in revenue cycle operations. Leach has additionally worked as a consultant with Chartis and KPMG in project management, IT leadership recruitment, and business development. In his role with KCG, Leach is eager to return to consulting and apply his expertise to benefit a diverse range of clients.

Leach holds a Bachelor of Science in Computer Science from Slippery Rock University and an MBA from the University of Houston Clear Lake.
